

Pet Travel - Ballpark Charges

Charges vary according to level of service required, size of animal & destination country.

BVC Export Arrangement - examples of “ballpark” fees

Examples following are “ballpark” estimates. They EXCLUDE:

- *AWB fee (the airline’s freight charges),*
 - *dependant upon cage size and destination*
 - *you may make your own enquiries to chosen airlines for case specific freight (AWB) charges, or have us create a customised quote for you (service fee refundable against total charges).*
- *Cage cost (use your own or we can supply approved cage to fit your pet)*
- *Destination agent (Except for UK where this is mandatory)*
- *Veterinary medical costs (vary with pet and destination)*
- *Guardianship (in absence of owner event coordination)*

Export Permit Only **AED 345**

to “easy” country ***approx AED 2,367***
(Special certification not required)

to USA (dog) ***approx AED 2,649***
(Special certification required)

to Australia ***approx AED 3,930***
(Special certification and procedures required)

to UK ***approx AED 4,749***
*(Special certification and procedures required -
Includes mandatory Import Agent fees)*

Please note: Our service is highly competitive. We will match fees of any IPATA agent offering a comparable service at a cheaper rate

Customised quotes are available with a deposit of ***AED500, fully refundable*** against the final total provided you proceed with the shipment. This will include important data tailored to your pet such as the Air Waybill fee, cage requirements, cage costs, suggested flight plan, liaison with receiving agents or owners. There is considerable work involved in creating customised quotes. Cancellation of the shipment will result in loss of this deposit.
