

Pet transport - Seven Steps to successfully Shipping your Pet

Visit www.britvet.com/pettravel.htm for more information

1. **Decide**: when your pet will travel
2. **Decide**: where your pet will travel
3. **Know**:
 - a. The basics (see [Pet Travel - General Advanced Preparation](#))
 - b. That veterinary procedures could start up to 7 months in advance for some countries (see [Export from UAE - Destination Country Data](#))
 - c. That final flight booking can only be made a week or so before departure.
 - d. That flawed paperwork or procedures will result in flight delay or cancellation
4. **Know**
 - a. Veterinary medical requirements of the destination country and
 - b. When they must be performed. (see [Export from UAE - Destination Country Data](#))
5. **Get** the right size cage (see [Pet Travel - Measure pet / size of cage](#)) of IATA approved design
6. **Know** the costs to make sure you are financially prepared for pet shipping.
 - a. See [Export from UAE - Some fee examples](#) and
 - b. Add estimated freight charges to arrangement fees. Airlines can quote for you, depending on cage size. **OR**.....
 - c. Have us provide a “customised quote” if you wish to proceed with more accurate figures and finer detail. (See [Export from UAE - Customised Quotes](#))
7. **Complete** the Export request form (see [Export from UAE - Export Request](#)) and send this together with accompanying documents to transport@britvet.ae , once you have decided to proceed.
